STAGES OF YOUR WMA COURSE

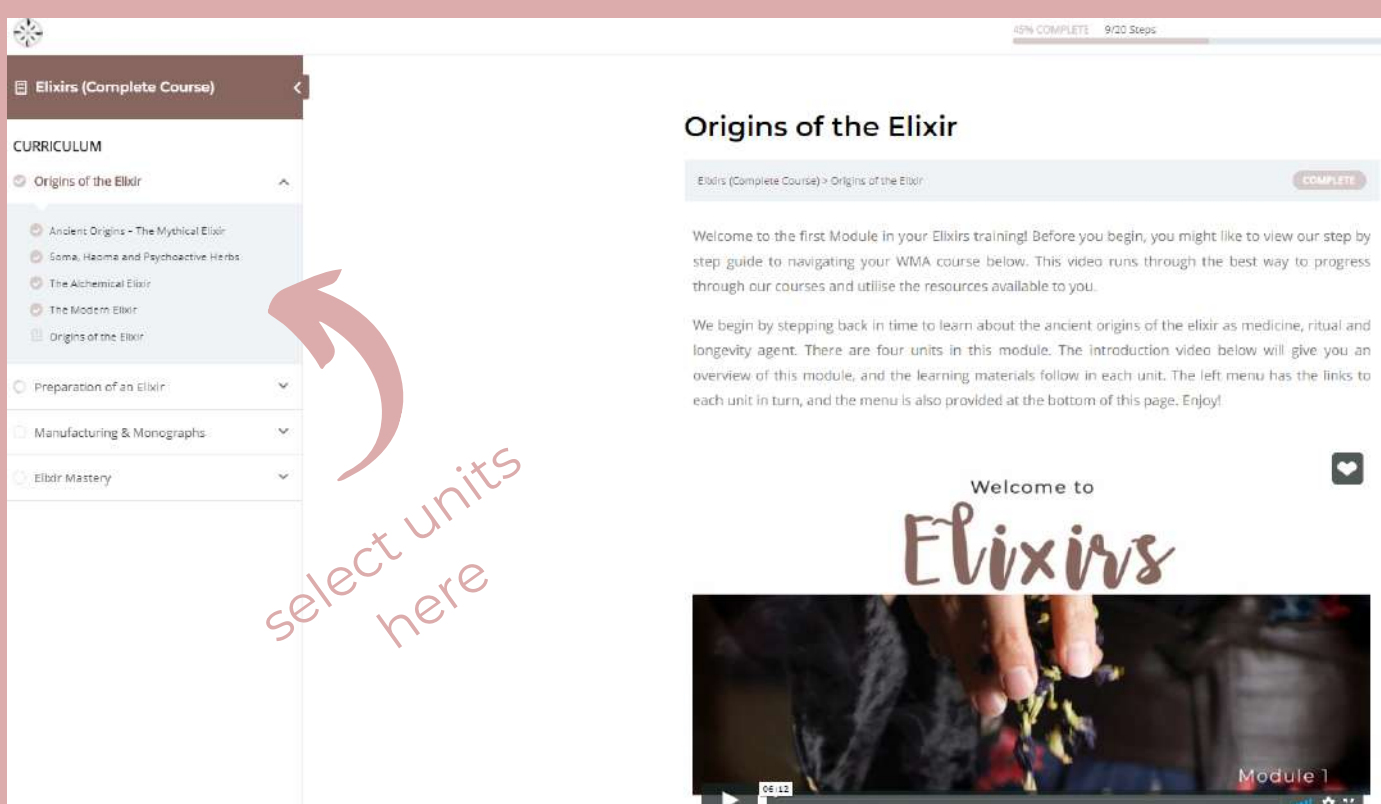

STRUCTURE

Content is divided into modules which are divided into units. Learning content is found in the units. Cover each unit in order. Each module concludes with a quiz.

MODULES

All modules start with the introduction page with video welcome and overview of content to establish your learning outcomes and key topics.

BEGIN WITH...

The first module intro page and move through each unit in turn. Use the Curriculum menu (left) to select particular units. Complete all units before moving onto the next module.

COMPLETE YOUR COURSE

Successfully complete the quiz for the final unit in your final module and we automatically generate your certificate of completion. Well done!
